## A note on our suppliers

*Marlish Water is bottled at source in the hills of Northumberland, Marlish Still and Sparkling Spring Water taps into a historic underground aquifer, a completely sustainable resource which is naturally replenished by rainwater taking hundreds of years to filter through the rock strata, gaining its high level of purity and mineralisation along the way.*

*Ringtons was founded in Newcastle in 1907 on the promise of bringing quality tea to our local community with care and attention. This still powers the business today. The coffee is roasted by experts in Newcastle upon Tyne, and then packaged in gas flushed, fully recyclable packaging.*

*First & Last Brewery producing finely crafted beers from the heart of Northumberland in small batch cask conditioned, canned and bottled beer inspired by wild, untamed landscape and dark skies of Northumberland.*

Our menus are printed on undyed paper which uses only 10% of the amount of energy!
